Drop off and Pick up locations

Please ensure you are using the appropriate stopping zones for drop off and pick up. The zone directly in front of the school is a NO Stopping zone. Attendance:

Showing up to school each day and on time has a huge impact on student success and well-being. Even as children grow older and become more independent, families play an important role in creating routines to make sure students get to school every day.

If your student is going to be away from school please call the Radisson School office at 204-958-6591 and leave a message regarding the absence. There is a 24-hr voice messaging system.
