November 2022

Dear Parents and Guardians,

We are very excited to invite you to our December Showcase Performances! We have missed performing for you. Students are busy preparing grade level performances which will include singing, dancing, instruments and student poetry.

Our goal is to create a more personal sharing session where all students can shine. Our performances will include pieces from all of our learning during the Fall term of school. We are also striving to create a safe and manageable audience size. Students are encouraged to attend both afternoon and evening performances, but we would like to encourage audience members to only attend one of the performances to help keep our audience sizes manageable.

Our Parent Council will be selling 50/50 tickets before the concerts with the winners announced on Friday December 16, 2022. Funds raised will be used to support a variety of events and materials for our school. We will also have a Silver Collection with funds raised supporting our Music Department.
