- We will be sending out info to families regarding walking students to /picking students up at classes. We are asking parents to drop students off outside or if necessary in the foyer. We want to ensure a safe environment for our staff and students. This is inline with what other EY schools do. There are possible exceptions that need to be made with admin.

Fundraising Info- Mr. Chartier to look into Spents(?) bros. pizza fundraiser for Feb. and application in for 60/40 draw. Will most likely be out after the Winter Break.

Cherilee chatted about a potential summer fundraiser but is facing hurdles.

Cherilee is looking to do a Mom's Pantry fundraiser . Mr. Chartier will look into if the new SIS can do an eldest child report so we can send home paper copies.

Respectfully submitted by:
