

Message from the Principal

As you celebrate your graduation and the adventure that lies ahead, I encourage you to embrace uncertainty. Take risks. Trust that you will find your way, even if it involves a few wrong turns. And so, dear graduates, as you receive your diploma today, remember that you're not just leaving high school, you're entering a world of infinite possibilities. May your journey be filled with joy, purpose, and the courage to chase your wildest dreams.

Congratulations Murdoch MacKay Class of 2024!!
