Dear Parents and Guardians,

As we enter the final month of the first semester, we'd like to inform you of the semester end adjusted schedule. Senior years schools in River East Transcona School Division will continue programming until January 30 to ensure students in all courses have as much instructional time as possible. Recognizing that teachers may need different time blocks to complete end-of-year learning and assessment, the regular schedule is being adjusted for this final week of the first semester so that each course has longer periods. This change in instructional time can be used by teachers for:

- In-class exams/tests
- Small group/individual assessment
- Special projects
- Field trips, etc.

At River East Collegiate, the adjusted schedule will allow for two half-days for each period of the school day, as follows:

	Thursday Jan. 23	Friday Jan. 24	Monday Jan. 27	Tuesday Jan. 28	Wed. Jan. 29	Thursday Jan. 30
8:30-11:15	Period 1	Period 2	Period 3	Period 6	Period 5	Period 4
12:15-3:00	Period 6	Period 5	Period 4	Period 1	Period 2	Period 3

Each teacher will communicate the specific plans for each course to students and families. **Please note that attendance is required during this time.**

Non-bussed students will be at school during their designated times only. Bussed students who cannot arrange transportation will be required to stay in designated areas of the school when they are not in class.

The goal of this adjusted schedule is to provide appropriate programming to ensure student success in every course and provide time for learning experiences that may not fit within the regular schedule.

The first day of classes for the second semester will be Tuesday, February 4, 2025.

If you have any questions regarding the expectations or plans for this week, please contact the teacher and/or the school.

Sincerely,
Mr. Brian Locken
Principal
