August 2022

Dear Transcona Collegiate Families,

We would like to take the opportunity to welcome back all our new and returning students and their families to Transcona Collegiate for the 2022-2023 school year!

## Student Schedules

Student schedules can now be found online in the Student/Parent Portal. Please make sure that you are taking a few minutes to ensure you can login to the portal and view the schedule. Instructions regarding the Portal can be found here: [Parent/Student Portal Support](#)

Should your student require a timetable change our counselors are available and will be booking appointments with priority being given to:

1. Students who are missing compulsories
2. Students who are short courses required for graduation.

Additional course change requests will only be addressed once we have ensured that all students have their program requirements. These are typically completed during the first few weeks of classes.

Please contact your student's counselor via email to make these appointments.

## Student Fees

Fees for the 2022-2023 school year are \$50. This fee has already been posted in the parent portal and families are **encouraged to pay online if possible**. Families may also send a cheque or cash with their student to be handed in to their TA on the first day of classes.

## Student Supply Lists

For high school there is not a set supply list. We ask that students come prepared for the first day of classes with a binder, loose leaf paper, and a pen/pencil. If a teacher requires students to have certain supplies for the class that information will be communicated home to parents by that teacher.
