## VALENTINE'S DAY at DR. HAMILTON

Friendship and kindness are what we aim to highlight here at school on Valentine's Day, (and every day). Students will take part in some planned activities on or around this special day. As always, we respectfully ask that treats are not brought to school to share among the class. (Thank you to our PAC who will generously provide a special treat for every student)! The distribution of class sets of Valentines is a welcome way for students to share and to demonstrate kindness and generosity.

Happy Valentine's Day to all!
