WATER FOUNTAIN UPDATE

All drinking water fountains, as well as other drinking water points around the school, have been outfitted with new water filter systems. The fountains have been re-opened for student use.

KINDERGARTEN REGISTRATION

Kindergarten Registration will begin at all RETSD schools on Monday, March 3, 2025.

Your child is eligible to attend Kindergarten in September if they turn five years old on or before December 31, 2025.

Families must register children at their catchment school. Click the link below for more information:

FEBRUARY is I LOVE to READ MONTH

We are excited to announce that February is "I Love to Read" Month at Dr. Hamilton School! This is a wonderful opportunity to foster a love of reading in our students and to celebrate the joy and importance of literacy.

Our theme this year is closely aligned with our school goals, and we have planned a variety of engaging activities to inspire our young readers. Each week, we will host a "Battle of the Books" competition that reflects the themes we are working on as a school community. Every class will have a chance to read the same books and vote for their favourite story.

In addition to the "Battle of the Books," we will be sending home a reading calendar filled with fun activities to keep the excitement going at home. We encourage you to participate in these activities with your children and make reading a special part of your daily routine.

We are also thrilled to welcome guest readers to our school throughout the month. These special visitors will share their favorite stories and help bring the magic of reading to life for our students.

There will be various activities and events throughout the month designed to engage students in reading and to celebrate their progress. We look forward to a month filled with the joy of reading and the excitement of discovering new stories.

PHOTO STORY

This week, students and teachers met as Family Groups for the first time since before the Pandemic!

Students from across grade levels came together in smaller groups and chose a team name based on a Canadian animal. They played some games together and designed a Family Group Flag.
