# WHAT'S UP at DOC?

December 5	Vision & Hearing Screening (K, 1, 3 and 5) Celebration of Learning (Student Led Conferences) in the Evening
December 6	<b>NO SCHOOL for STUDENTS:</b> School Based Professional Learning Day Celebration of Learning (Student Led Conferences) in the Morning

## FALL WEATHER CLOTHING REMINDERS

As we move into some cooler and potentially wet fall weather, please ensure students are bringing warm clothing to school including jackets, mitts/gloves, toques, rubber boots. etc. ***Having an extra pair of pants and socks at school is VERY helpful! Labeling clothing with your child's name is helpful too.***

Our goal is to have kids outside for recess as often as possible, even when it gets a little wet. 😊

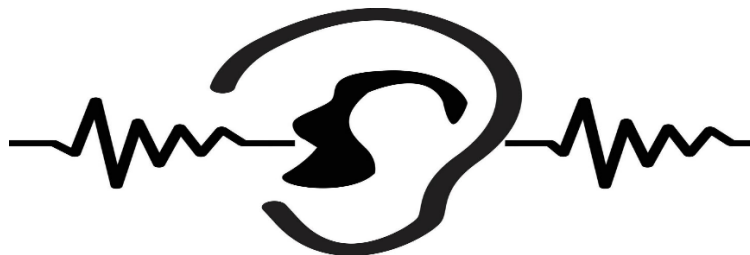

## VISION & HEARING SCREENING VOLUNTEER REQUEST

Vision and Hearing Screening takes place in November for students in Kindergarten, Grade 1, 3 and 5. Our confirmed dates are **November 14<sup>th</sup> and December 5<sup>th</sup>**.

We are hoping that **two parent volunteers** may be able to assist us with this process. The role involves acting as a “runner” to get students from their classes and into the spaces where the screening will take place.

Please call the school or email me, (Bailey McIntyre), if you would like to help us out!

## LUNCH PROGRAM NEWS

### **Did you know that the supervision of children over the school lunch period is a parent responsibility?**

It would be a hardship and, in many cases, an impossibility, for most parents to manage this responsibility on their own. For this reason, a committee of parent volunteers assumes this responsibility FOR our school community: The Dr. Hamilton School Lunch Program Committee!

This volunteer committee provides oversight for our daily Lunch Program which is run by our committed Coordinator, Alli Streep, and a team of wonderful supervisors ranging from community members to parents to high school students.

Led by Committee Chair Lee Hurton, the parent volunteer committee is comprised of a Treasurer, the Lunch Program Coordinator, and other parents who sit as collaborative members.

**With our Committee Chair serving for her final year, it will be important to fill this critical role so that our Lunch Program can continue to operate in the wonderful place that Lee has brought it to. If you are interested in learning more, or even attending a meeting, please reach out to Bailey McIntyre at: [bmcintyre@retsd.mb.ca](mailto:bmcintyre@retsd.mb.ca)**

We will share more information about our Lunch Program's operations in the next e-memo.

Here are some photos of our Coordinator and Supervisors enjoying lunchtime recess with our students:

## LOST & FOUND

Please have a look to see if anything belongs to your child(ren). After next week, we will wash and donate clothing in good condition to a school in our division that offers a Community Closet

# WHAT'S UP at DOC?

## PHOTO STORY

A few shots captured from our PAC Halloween Family Fun Night. Thank you, PAC!!!
