During the school year there will be opportunities for you to visit the school, meet with staff and become familiar with our educational programs. Your student will keep you informed and we will regularly update our website ([www.kec.etsd.mb.ca](http://www.kec.etsd.mb.ca)) with important information. The school website calendar has all the dates for the school year, including semester dates, report card distribution and school activities. In addition, the parent/student portal, phone messages, and emails will keep you informed about important events.

If you have questions or concerns about your child's academic progress, we encourage you to contact their subject area teacher. The staff of Kildonan-East includes guidance counsellors and resource teachers who are also available to assist with concerns. Each grade level has a designated administrator, counsellor and resource teacher to support students and families.

Student fees of \$50.00 are due on the **first day of school**. Payments may be made by cash or cheque through your child's Teacher Advisor, or **\*NEW\*** by online payment. Please see the attached document for online payment instructions. Should you experience any difficulty with the timing of this payment, please contact the school. All cheques should be made payable to **Kildonan-East Collegiate**. Please add your child's first and last name to the memo line of the cheque.

Student schedules for the 2026-27 school year are now available in the student/parent portal. If your child does not have their schedule, please check the portal before calling the school.

We strive to ensure that students are scheduled for the courses that they request each year. There are times when it is not possible to meet every student's course request due to course conflicts or lack of course availability. Due to these constraints, we will not be able to accommodate course changes due to teacher or time of day preference.

If you would like to request a course change, your student can schedule an appointment with their grade level guidance counsellor once school begins. *Please note, there will be no schedule changes for grade 9 students.*
