

PRINCE EDWARD LUNCH PROGRAM
POLICIES and EXPECTATIONS - KINDERGARTEN
2024 / 2025

1.0 POLICIES

1.01 PURPOSE

The Prince Edward Lunch Program is a non-profit organization dedicated to providing the students of Prince Edward School with a safe, caring, respectful environment where parents, or guardians may choose to have their children supervised over the lunch break.

1.02 ABOUT THE PROGRAM

The Prince Edward Lunch Program is a user-pay lunch supervision program. It is in place to provide a safe environment for the students of Prince Edward School during the lunch break. Only those students registered in the lunch program may stay at school for lunch. The Prince Edward Lunch Program is run by a committee of parent volunteers in cooperation with school administration.

Supervisors, hired by the lunch program committee, will supervise the playground during lunch recess from 11:45 am to 12:15 pm. Please ensure your child has weather appropriate clothing. During poor weather, students will remain indoors. The supervisors will then monitor the classrooms while the children eat lunch from 12:15 pm to 12:45 pm. Please remind your child that they must eat their lunch within this time. Students who do not participate in the lunch program may not return to school before 12:35 pm.

Students will provide their own lunches, drinks and utensils and will eat in the designated lunch rooms. This program does not provide hot meals. There are no microwaves available for heating lunches. We also do not supply spoons or forks.

Prince Edward School is a peanut and nut safe school. Please be aware that foods or snacks containing peanut or nut products are not permitted in the school or on the playground. These products could have a fatal result for children with this allergy. This includes products that have the label "May contain nuts" and / or "Made in a factory that produces nut products". In some classrooms, there may be children with other serious allergies. Parents will be notified by Prince Edward School if there is an allergy serious enough to prohibit that food from entering the classroom. SUPERVISORS ARE NOT RESPONSIBLE FOR MONITORING STUDENTS' LUNCHES.

The lunch program is not a fund-raising venture. It is a non-profit organization and all the money collected is used to pay the salaries of those hired to supervise during the lunch break, training required and for miscellaneous expenses related to the operation of the lunch program. All funds from this program are managed in the Prince Edward Lunch Program bank account and are separate from any school bank accounts.

1.03 REGISTRATION

2.0 EXPECTATIONS

The Prince Edward Lunch Program would appreciate your cooperation in having your child follow the Lunch Program Expectations listed below. These expectations are in place to make the lunch break a safe and friendly place for all children attending the Lunch Program. You will be notified if your child does not follow these expectations. If the behaviour continues, your child may be removed from the Lunch Program. Please see the Behaviour Management Policy below.

2.01 Please follow Prince Edward Lunch Program's / Prince Edward School's Expectations:

Lunchroom Expectations

1. The lunch program's behaviour expectations follow the School Behavior Matrix (as attached).
2. Due to allergies, lunches are not to be traded or shared.
3. Students must remain seated while eating.
4. Students must ask permission to leave the lunchroom.
5. Students are not allowed to leave the school yard during the lunch break.

Please see the last two pages for additional behaviour expectations.

If everyone follows these simple expectations, all students will be safe and have fun.

N.B. Parents have the responsibility to review and promote cooperation regarding these expectations with their child on a regular basis. Students who fail to cooperate with Lunch Program staff and / or to follow Lunch Program expectations may lose the privilege to remain in the Lunch Program. Your child's signature on the Registration Form is their promise to abide by these expectations.

2.02 BEHAVIOUR MANAGEMENT

The River East Transcona School Division adheres to the “Code of Conduct” to promote a healthy School culture. The RETSD believes that all staff, parents and students have a responsibility to maintain a safe, caring and respectful environment where everyone has the right to be treated with dignity and respect. Students, parents and staff are to behave in a respectful manner and comply with this code.

Our School’s Lunch Program has some basic expectations that students are expected to follow so that we can maintain a safe, orderly and relaxing atmosphere for all lunch break participants. These expectations are reviewed continuously with all students throughout the year.

From time to time, a small number of students find it difficult to follow the expectations of acceptable behaviour for the Lunch Program. These students are given reminders and encouragement to behave. When concerning behaviour persists, then you have a right to know about it.

Therefore, when a student is not following Lunch Program / School expectations during the lunch break, the Lunch Program Coordinator, in consultation with School Administration, will implement the following procedure:

1. The Supervisor will speak to the student about the problem. An Incident Report will be filled out and be submitted to the Coordinator and to School Administration. A continuum of strategies will be used as a response to lunch break behaviour issues. These could include approaches such as verbal reminders, lunch recess time out or lunch in an alternative location.
2. In the case of ongoing unacceptable behaviour or in an event of a serious incident, an incident report will be filled out and submitted to the Coordinator and to School Administration. A phone call will also be made to the parent / guardian explaining the incident and requesting that the Expectations for Lunch Time be reviewed with the child. Administration may also contact the parent / guardian to enlist their support.
3. Should the unacceptable behaviour continue, the student may lose lunch privileges. Parents would need to make other arrangements for their children during the lunch break. As per Divisional policy, any alternate arrangements are exclusively the responsibility of the parents / guardians.

Experience tells us that where a policy like this is in effect, students are careful to conduct themselves in a reasonable manner with very few students losing their privilege to have lunch at school.
