HOW DO THE READING VACATIONS WORK?

VACATIONS ON THE MOVE

If you choose this journey, you will read one book from any six different vacations giving you six books over the summer.

UNPACK & STAY AWHILE

If you choose this journey, you will stick with one reading vacation and complete six books of your choice from that vacation. Travelling this way may allow you to enjoy a favourite theme/genre or perhaps give you an opportunity to take in the view of a theme/genre new to you.

TOUR THE WORLD

In this scenario, you create your own vacation – a vacation you wish to explore. Pick ANY six books on SORA, the public library, or your own home collection to read this summer.

CHOOSE YOUR OWN VACATION!

HOW DO THE READING VACATIONS WORK?

Whichever path you choose, you will be reading 6 books this summer for the Summer Reading Challenge. To be eligible to get recognition for your summer reading and have your name in the draw for a book of your choice to keep forever, you just need to bring a list to the library of the 6 books that you read during the summer by September 6th at the latest.

BON VOYAGE DE LECTURE!!
