Congratulations to both of our MYRCA teams who were finalists at the divisional Battle of the Books. Our Sundogs team took first place. These students have been training all year for this event. They have each read and studied 10 provincially selected novels to compete! Merci to Mme Brakel who supported students during this amazing event.

Another great achievement for our ERP grade 8 students who participated in the film **Festival de Vidéastes du Manitoba**. Students created their original film with the assistance of a film editor, and attended the GALA event at the University of St. Boniface where they were awarded twice! One for the best interpretation and the other for the most preferred film by the public. Bravo!
