May 19<sup>th</sup>, 2023

Hello ERP families,

Here are a few upcoming events at school. Thank you to all our families who joined us this week to celebrate our Music-Band program during our concerts. Amazing events to showcase our student's performance abilities. Thank you to Mme Nowostawski, M. Adams and staff who helped to support in various ways. A huge **BRAVO** to our students, for all their hard work and practice.

## Digital Citizenship and Literacy-

As we continue to help support our students through the Digital World, we will be focusing our attention over the next few weeks to Digital Citizenship and Literacy, and the responsibilities of using technology in a safe and respectful manner. Increasingly, technology has become an important learning tool in our schools. We recognize that the use of these tools both in and out of our schools requires a new set of skills to use the technology for learning in a safe, ethical, and purposeful way. Please know that we have devices at school to support learning, however, if a student decides to bring in their own personal devices, that they do so at their own risk. We encourage all families to revisit the guidelines we use at school, as this framework may assist in keeping expectations consistent between home and school.

# DIGITAL CITIZENSHIP

	Respect of <b>SELF</b>	Respect of <b>OTHERS</b>	Respect of <b>PROPERTY</b>
<b>EQUIPMENT</b>	My personal device is stored in the appropriate manner as directed by the teacher. I use my personal device only as instructed and with permission.	I consider others by logging out, shutting down, charging and/or putting away technology when I am done with it. I ask permission before using the equipment of others.	I keep food and water away from technology and use equipment with care. I report any damage immediately. I maintain default settings.
<b>USAGE</b>	I model good digital citizenship by using only apps, programs or websites that have been approved by the teacher.	I use technology as directed by the teacher and avoid distracting others (messaging, social media, calling, etc.)	I handle and transport technology (computers, tablets, etc.) carefully and calmly.
<b>PRIVACY</b>	I keep my personal information private (passwords, login information, etc.)	I ask permission before sharing information or posting pictures or videos of others.	I only access my own network and files.
<b>SAFETY</b>	I use social media with regard for my personal safety and future. I consider the affect my posts have on myself, my family, friends, and future employers.	I use social media and technology to empower others. My posts are positive and inclusive in nature. I THINK before posting (True, Helpful, Inspiring, Necessary, Kind)	I choose appropriate apps and sites when working independently.

# École Regent Park

## Parent Roles and Responsibilities

Support the value of using technology appropriately in learning

Encourage questioning and analysing media messages through their own value lens

Personally engage in learning about digital literacy

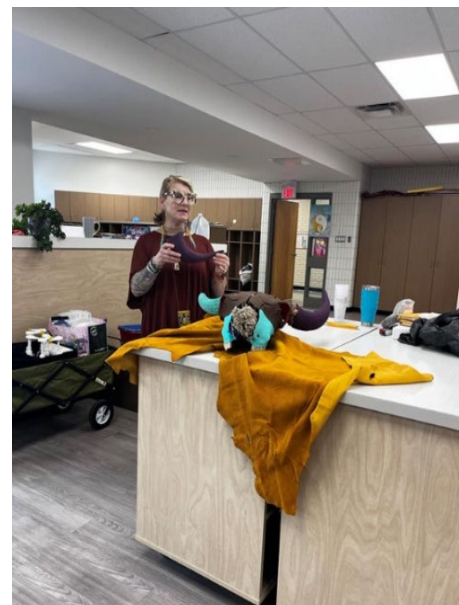

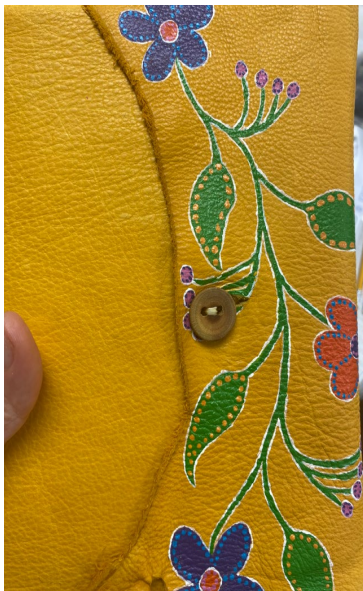

Model and assist in the safe and ethical navigation online

*creating student success*

## SUMMER CAMPS FOR KIDS

### Have fun and learn French this summer!

Through a variety of interactive and original activities, children embark on a journey through culture and French language! The main objective is to develop confidence in oral and written French within an immersive environment with French language activities and a unique blend of fun.

Our camps are tailored for 7-11 years old kids, all levels are accepted, from beginner to advanced. Monday to Friday from 9am to 4:30pm at the Alliance française on Corydon. Drop-off from 8:30am to 9am and pick-up from 4:30pm to 5pm.

#### Arts visuels

Embark on a colourful journey to explore different forms of visual arts and create your own masterpieces!

[From July 10 to 14](#)

[From August 8 to 11 \(4 days\)](#)

Explorers, the adventure starts now! Take your curious and playful mind with you to discover and protect the treasures of our planet! What a good way to learn about nature, animals and plants!

[From July 17 to 21](#)

[From August 14 to 18](#)

#### Partons à l'aventure !

#### 1, 2, 3 action !

Discover the wonders of the 7th art! Practice French through movies and plays and let the star in you shine to create your own short film.

[From July 24 to 28](#)

Learn how to cook like a chef with Rémy, Ratatouille's rat! By the end of the week, you'll be a little cordon bleu and delicious French recipes won't have any secret for you. Miam miam!

[From July 31 to August 4](#)

[From August 21 to 25](#)

#### Ratatouille's Cuisine

Fees: \$360/full week  
\$288/4-days week
