November 10, 2022

Dear ERP families,

A reminder there is **no school tomorrow**, as we take a moment of remembrance for the men and women who have served and continue to serve our country during times of war, conflict, and peace. *Remembrance Day* is an opportunity to pay respect and honour those who lost their lives serving their country in the name of Freedom.

Please find attached a letter detailing additional after school programming for your students.

Scorpion Sports- You will find a live document under athletics entitled Sport Calendar. There you will find additional information on the games and practices of our athletic teams. We continue to strive to ensure consistent and timely information with our families. Any questions or concerns, please do not hesitate to contact our school office.

Digital World- Student online behaviour is very important. Along with the basic instructions for usage of technology, it is also important for students to understand digital etiquette and be productive users as digital citizens. Students may encounter both positive and negative interactions that come along with the use of technology. In real life there are laws that everyone should abide by to keep everyone safe. This also applies to the digital world.

Please take a moment to have these important conversations with your child as the misuse of technology may have lifelong effects for all of those involved. In addition, our grade 7 students will have a special presentation from our Community Constable on Wednesday, Nov. 17th. You may find this additional resource helpful.
