Dear Parent/Guardian,

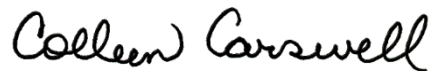

The River East Transcona School Division Board of Trustees is excited to announce that the expansion at École Regent Park is complete! We would love for you to see the beautiful new gymnasium and classroom spaces! So, you are invited to an open house for the official reveal.

**Date:** April 15, 2024

**Time:** 5:00–7:00 p.m. (ribbon cutting ceremony at 5:30 p.m.)

Thank you for all your patience as these additions to the school were completed. The community's support was instrumental to its success. Be sure to mark your calendars and make plans to attend the École Regent Park Open House!

Thank you.
