June 21, 2024

What a wonderful afternoon of recognizing and honouring the cultures and contributions of First Nations, Inuit, and Métis people. Our students were engaged in learning, in the spirit of reconciliation and the celebration of National Indigenous Peoples Day!

Friday June 21st

National Indigenous Peoples Day

Hello ERP families! We would like to introduce to you the wonderful **ERP staff for the 2024-25 school year!**

Please note that the class placements will be located on the report cards (grade 2-6 in the Learning and Behaving section) and for the grade 6-7 students, it will be in the ELA comments. Grade 8 students moving onto secondary school will have their schedules mailed out over the summer!

Please note that as we are moving to a new system- program called **POWERSCHOOL** and navigating away from the TYLER system, we will not be **making any class changes.** Thank you for all families who placed in their specific requests already.

There is much thought, careful consideration of needs and decisions based on equity that go into creating class lists. During this time, please reflect on, rather than react to, your child's placement. It is extremely important to remain supportive and trust your children to be able to adjust to new learning situations and to make new friends – these are normal life challenges. If you feel we have made some sort of an error, please let us know between August 19th to August 30th.

École Regent Park School

We have found in the past that with your support, children are able to adapt to and benefit from a variety of experiences and that as parents, we tend to underestimate their ability to do so. Your help with this process is crucial. Please help your child by encouraging them and normalizing change, making new friends, and meeting new challenges. As well, work to develop a positive relationship with your child's teacher. Our goals are the same as yours – we are striving for your child and all children to be successful.
