January 19, 2024

Thank you to all the family members who joined us during the two nights of **Winter Concerts** for our grade 2-5 students. This celebration of learning was truly a joy to witness, and our students were so excited to share their talents and gifts with all family members. A huge **MERCI** to M. Adams and Mme Nowostawski for their dedication and passion for the celebration of Music and the Performing Arts.

KFC Lunch with Healthy Hunger-

If you ordered KFC lunch for your student, do not pack their lunch on the following days:

I LOVE THE READ- JANUARY

We celebrate reading every day at ERP; however, we are doing some special activities to continue the love of reading.

January 23 — Lire sous les étoiles ([Gym read-in](#)) and [Pyjama Day](#).

February 1 — [Dress-Up like a book character](#) day (no violent characters or weapons for props).

There will be contests, games, and we will end the month with a Book Tasting set up in the library.

How To Teach Kindness This Valentine's Day

We love the cards, candy, and crafts, but are we overlooking something exceptional? What better way to celebrate the holiday of **love** than celebrating kindness! Valentine's day is a terrific way to teach kindness in the classroom. Let's embrace the value of being kind and go beyond the cards to show love to one another. We are asking all families to save money by **not purchasing cards, candy or treats**. At École Regent Park, we will be celebrating **Love and Kindness** on February 14th. Students will be engaged in morning meetings to discuss kindness and what it means to be a friend. Through picture books and activities, they will collaborate on how to create a kinder school community. Each student will be coming home with a craft that either they or a friend has made for them. Thank you for your continued support as we strive to ensure equity, inclusion, and excellence at ERP.

PAC meeting-

On behalf of the Parent Advisory Council, we wish to invite you to our meeting on **January 23rd at 6:30 p.m.** via Microsoft TEAMS. Please join us if you wish to know more about upcoming events and how to further support our students and school community.
