4. School Based Fundraiser Success – we raised just over \$1000 profit

5. Fire Drills – we have several to complete before June 30

- **Rachel**

- well, a thon, raised just over \$1100.00 in profit.
- kids completed over 7000 squares on bingo cards.
- kids who participated received a prize for participating, recognized top two classes who raised the most donations as well class who filled in most squares, wellness prize will be rewarded.
- fire drills several to complete before end of school year, teachers practice with students what the expectations are.

- **Lunch program- Melissa Brandt**

- not a lot of change, one new full time staff member fitting in well, sports equipment has arrived, working with gym teacher when to introduced. Started

with chalk and frisbees. Gr 5 lunch monitors will be helpful but will be ending at end of May, will arrange time to give popsicle as a thank you.

- working with Tanis about contacting families owing lunch program fees
- office staff sending out email about sending cutlery over 350 given
- doing performance reviews with staff next week with hopeful that all will continue into the fall and add a few more staff. Also discussing pay raise for returning supervisors will be on agenda in fall.
- Greening Committee- Niki
 - having staff get involved, and CSA(mapping out fundraising)
 - some options discussed would be weekend carnival.
 - would staff be available, how would it work with police support and presence for safety and having kids on grounds.
 - movie night k-5, co-or day on Tuesday as it's an election day, 15 teachers and csa to help, kids must be accompanied by adults, thinking can raise a lot of money. Goal is for at least \$5000 as we would need a "nest egg" to apply for grants. Then go to division to get a trust fund so that would help the different stages of grants.
 - pizza lunch will help, cookies and milk. Anything to do with food will raise a lot of money a store- the week before Christmas businesses and donations of items where kids would bring in money and purchase, is labour intensive as there are so many parts to it.
 - looking to do the most bang for the buck without taxing staff and CSA
 - another meeting before June ends, Nikki will hold another liaison meeting from CSA
 - suggestion-
 - pizza movie night, fam can buy a whole pizza and watch a movie -will look further into
- **New business Ashley Fletcher**
 - Having CSA presence at welcome BBQ, will have freezes to hand out and get word out
 - Looking into storage for freezes and well as accommodating food exemptions
 - Suggestion to write letter and drop off at superstore, manager may consider donation.
 - 25 boxes -225.00 with taxes -Ashley proposed-all in favour.
 - Draft letter to superstore from CSA on behalf of the school- Ashley will do it
 - Will get two tables, Tanis, Sherry and Chris can also help too.
 - Bbq is the 14th
 - Member suggestion to possibly have free entertainment (drumming group), usually do a collection when they do it at their own home and have a collection that could be donated.

- Meeting closed- Ashley called at 7:23pm
