

CONFIRMATION OF INTEREST— DIVISIONAL PROGRAM

This Confirmation of Interest is to be completed by students who have registered in our school with an Expression of Interest for a divisional program. As we enter our planning for the following school year, this information will assist us in our efforts with student program placement and scheduling. Original Expressions of Interest, combined with responses to the questions below, will be considered as part of your child’s application for the requested program. Enrolment may be limited due to staff and space availability.

Your child has previously completed an Expression of Interest for:

- Grade 10: sTeam Intensive Programming
- Grade 10: French Immersion sTeam Intensive Programming
- Grade 10: Technical-Vocational Programming
- Grade 11: sTeam Intensive Programming
- Grade 11: French Immersion sTeam Intensive Programming
- Grade 11: Technical-Vocational Programming

Please check off the answer that applies to your child:

- Yes, I would like my child to continue to be considered for divisional programming (questions need to be completed below).
- No, we will not pursue divisional programming. I would like my child to be considered for regular academic programming.

If you checked “YES” above, please have your child answer the following two questions to support their continued interest in divisional programming.

From your Grade 9 time spent in our school, what new learning/experiences have helped you the most to keep excitement alive in wanting to pursue sTeam/French immersion sTeam/technical-vocational programming?
