- 1. CMMC Mental Health Week** – Today marks the beginning of the 72nd annual Mental Health Week in Canada. Mental Health Week is a social change campaign to educate the public and shift beliefs and perceptions about mental health. This week we will be taking time to celebrate and lift each other up, while leaning into the things that bring us joy. There will be presentations going on in the theatre over the week covering many meaningful topics; check with your teachers to see which ones you'll be participating in!
- 2. Library Behaviour Matrix** – We will be celebrating Buckeyes who are following the new behaviour matrix in the Library Learning Commons. Throughout the week, students can earn draw tickets for Buckeyes' swag or books by following the behaviour expectations. Buckeyes are reminded to be considerate and respectful of others and the space while in the library.

- 3. Youth Aid Society** - YAS is working to further diversify the CMMC Library. Our aim is to have all students find texts that represent their identity and/or culture. Help us by suggesting inclusive texts for our library using the following QR code:
