

## GRADUATION REQUIREMENTS Collège Miles Macdonell Collegiate

To graduate from Collège Miles Macdonell Collegiate, students must have the following:

30 High School Credits

1. Of these 30 credits **five** must be at the Grade 12 level
2. **One** must be an **English 40S course**
3. **One** must be **Math 40S**
4. **One** must be **Physical Education 40F**
5. Plus **two** other **40 level electives**

Please see the CMMC Course Handbook for specific graduation requirements for French Immersion Diploma.

If students plan on attending the University of Manitoba or University of Winnipeg they must have:

1. **Five** grade 12 credits **as well as Physical Education as a 6<sup>th</sup> credit**
2. **One** must be **Math; one English; and three Grade 12 options**  
(Students are encouraged to research specific degree/faculty requirements on university websites and see a counsellor as each university accepts different options. Each degree has course specific requirements.)

Red River College requires a Grade 12 diploma. A variety of their programs are quite specific in the math and science requirements so students should see a school counsellor or refer to Red River College's website.

University of Manitoba/University of Winnipeg/Université de Saint-Boniface have very different entrance requirements, so students should see a school counsellor to inquire about the requirements for the degree they are seeking or refer to their website.
