REGISTRATION PROCESS FOR 2023-2024

Dear Parents/Guardians,

This year, RETSD will once again complete the Senior Years registration through an online electronic registration form. To facilitate with course selection, the Course Handbook for CPET outlining general information, specific program and course descriptions will be posted on our website. In addition, teachers and counsellors are providing orientation and information sessions to students at each grade level to assist them in their course selections.

The online registration process for students returning to CPET in September of 2023 will begin on **Monday, March 6, 2023. The deadline for registration is Monday, March 13, 2023 before 4pm.** Please be advised that information pertaining to the process of registering for the 2023-2024 school year will be available through classroom orientation and information sessions.

The registration process consists of: 1) course selection with parents, teachers and counsellor and completion of paper copy course selection forms 2) online registration completed/inputted through the TYLER **Student 360 Portal** 3) the collection of 2023-24 student fees of \$50.00 per student with cheques made out to Collège Pierre-Elliott-Trudeau 4) remitting any required signed forms.

Please be advised that parent permission for policies relating to the use of technology and media permissions are now on an 'opt out' basis. That is to say, parents must notify the school if they do not wish to give permission for their child to use instructional technology provided by the division and/or have media permission for photos, video, or interviews.
