What Is The Difference Between Graduation And Convocation?

Graduation is the term used to when you have met the requirements to graduate.

Convocation is the in-person ceremony where graduates are gowned and walk across the stage as part of the celebratory event.

Important Convocation Dates:

- **May 20-31** Appointment Registration
- **May 21-23** Vote for the Valedictorian
- **May 31** Period 3 Assembly and Rooftop Photo (Photo **June 3** if there is bad weather.)
- **June 21** Gown Pick Up
- **June 25 and 26** Convocation at KEC

How to Make Your Appointment

- The form will open for appointments on **May 20** at **8:00 AM** and will close on **May 31** at **11:59 PM**.
- Go to your student email. Click on the link that was sent to you to get to the form.
- If you want to see how many open spots are in a time, click on the link to the excel sheet above the appointment selection space in the form. (You may want to have both open at the same time.)

- Select the timeslot you want. Click Submit.
 - If there are no more open spots, you will get an email that you are denied a spot.
 - If there were spots open, you will get a email that confirms your time.
- If you change your mind, you can go back in and select a different timeslot as long as there is space available. Delete your old email confirmation if you change your time slot. Only keep the latest email.

Things to Think About Before Booking Your Convocation Timeslot:

- There are **15** slots for each appointment time.
- If you would like to book with a group, all log in at the **same time**. Book together. Spots can't be saved by others. Check the number of slots available for the appointment and pick one with enough spaces for everyone in your group.
- If you make a mistake, go into the site again and pick another open timeslot.
- **Make sure to check with your family that the appointment time you signed up for works for them. Forward the confirmation email to your family.**
