

Hello, Emerson families!

We have started two new fundraisers for the upcoming holiday season. Orders are all due on November 28<sup>th</sup> and must be picked up from the school on December 5<sup>th</sup>.

Our first fundraiser is with Shelmerdine Garden Centre. You can order poinsettia plants, wreaths, and door swags by using this link: [SHOP NOW - Shelmerdine Garden Center](#)

Add your desired items to your cart, then at checkout just scroll down to select Emerson Elementary School from the list. You do not need to add the fundraiser ID number.

The second fundraising opportunity is from Central Meat Products. This was such a popular fundraiser last year that we brought it back again! You can purchase garlic sausage rings or 2kg bags of Helen's potato & cheddar perogies for \$12 per ring or bag.

*\*Central Products garlic sausage is gluten free, has no added MSG and contains no mechanically deboned meat\**

Orders will be placed on your MunchaLunch account by clicking here starting tomorrow: [Emerson School](#)

Central Meat Products deadline is November 28<sup>th</sup>, and orders can be picked up from the school on December 5<sup>th</sup>.
