

# RIVER EAST COLLEGIATE REGISTRATION INFORMATION 2024-2025 GRADE 9

Please take note of the following information:

The River East Transcona School Division Board Office requires schools to acquire the following documents for registration of new students:

#### Proof of Residency: 2 of the following required

- Driver's License
- Manitoba Health Card
- Tenancy agreement (duly signed)
- Offer to purchase documents (completed-signatures)
- Utility bill (name and corresponding address)

#### Guardianship

- Court documents (Interim and/or Final Order, Variance Orders may also be applicable)
- Voluntary Placement Agreement (VPA)
- Child in Care form

#### **Proof of Age**

- Birth Certificate
- Baptismal Certificate
- Passport
- Treaty Card
- Certificate of Birth registration, signed by Director of Vital Statistics

Additionally, River East Collegiate will only consider a registration form to be completed when it includes the **student's most recent transcript and attendance record**.

Once all required documents have been gathered and handed in, the registration process will be initiated.

#### **TECHNOLOGY USE AND MEDIA COVERAGE INFORMATION**

RETSD has two policies regarding instructional technology use (policy IJND) and media coverage, copyright permission (policy KDDB) Both of these divisional polices can be found at www.retsd.mb.ca for further reading. Parents/guardians are assumed to be in agreement of both of these policies; forms to "opt out" of either the use of instructional technology or media coverage and copyright permission can be found on our divisional website, signed, and returned to the school if this is not the case

Collection of a registration is not a guarantee of acceptance at River East Collegiate.

Dear Parent/Guardian:

The Grade 9 and Grade 10 Physical Education/Health Curriculum unite two subject areas to promote a strong message to students about making safe and healthy lifestyle choices. The vision of the curriculum is physically active and healthy lifestyles for all students by providing students with planned and balanced programming to develop the knowledge, skills and attitudes for physically active and healthy lifestyles.

As outlined in the Physical Education/Health Education curriculum, your son/daughter will be receiving information in the following potentially sensitive content:

- Safety Personal Safety (Grade 9 only)
- Healthy Lifestyle Practices Substance Use and Abuse Prevention, Human Sexuality (Grade 9, Grade 10)

Parents should be aware that the curriculum is developmental and age appropriate. The teachers of River East Transcona School Division will have received training from the division and community agencies to ensure delivery of content with respect, sensitivity and thoughtfulness.

Parents have the option to choose a school based or an alternative delivery for potentially sensitive content. Alternative delivery of potentially sensitive content is the responsibility of the parent (i.e. home, professional counseling) where the content is in conflict with family, religious or cultural values. Curriculum materials are available in the school library or at the following website: www.edu.gov.mb.ca/ks4/cur/physhlth.

A Parent Information Handbook is also available in the school library. Please do not hesitate to call the school if you have any questions.

#### **Parental Option for Potentially Sensitive Content**

The Manitoba Education, Citizenship and Youth department of the provincial government has mandated the delivery of all potentially sensitive outcomes. Please check either School Based Delivery or Alternate Delivery for each topic below.

<u>School Based Delivery</u> indicates you are granting permission for your child to participate in the school based delivery of the potentially sensitive issues as outlined by the Manitoba Education, Citizenship and Youth curriculum.

<u>Alternate Delivery</u> indicates you are assuming the responsibility for an alternative, home based delivery (home, professional counseling) of the potentially sensitive content for your child where the content is in conflict with family, religious or cultural values.

Dear Parent/Guardian:

The purpose of this letter is to inform you about some of the out-of-school activities or events in the local school community in which your child will participate during the course of this year. Your signature at the bottom of this form confirms that you are aware of the information provided in this letter.

The River East Transcona School Division and the staff of River East Collegiate recognize that valuable and unique learning can take place outside of the school building. We are therefore encouraged to make use of the total resources of the local community to meet curriculum goals.

During the course of the school year, student groups will engage in activities within the local community that take them out of the school building. These activities may include but are not limited to activities and events such as fitness walking and winter activities in Physical Education Classes.

The risk of injury exists in all student activity. However, due to the very nature of some activities, the risk of injury may increase. The safety and well-being of students is a prime concern and every effort is made to minimize the foreseeable risks inherent in any activity.

While participating in school activities, which take them into the community, it is expected that students will conduct themselves appropriately during all aspects of schooling.

- I/We understand and acknowledge that my / our child may suffer personal and potentially serious injury due to an unforeseeable event associated with participation in sports, recreational activities and other off-school site programs, and voluntarily assume the risk of injury inherent in the sport, recreational activity or other off-school site program.
- I/We understand that, in case of emergency medical or hospital services being required by the above-listed participant, and with the understanding that every reasonable effort will be made by the school/hospital to contact me, my signature on this form authorizes the board, through its employees, agents, and officers [to] secure such medical advice and services as they deem necessary for my child's health and safety, and that I shall be financially responsible for such advice and services.
- I/We understand that the Rules and Regulations pertaining to this activity are designed for the safety and protection of participants.
- I/ We acknowledge my right to obtain as much information as I require about this program or activity and associated risks and hazards, including information beyond that provided to me by the school.
- I / We acknowledge that it is my responsibility to advise the school of any medical and/or health concerns of my child that may affect his/her participation in the stated program or activity.
- I / We understand and agree that this is a part of the school program. I / We also understand that as a result of participating in this program that the participant is expected to follow the school procedures and code of conduct and that any deviations from these may result in consequences from the school administration.
- I / We declare having read and understood the above INFORMED CONSENT AGREEMENT in its entirety and hereby consent to participate being aware of all the foregoing.

<u>Parental Informed Consent:</u> Before your child may participate in any local community activities, this signed consent form must be received at the school.

March, 2024

Dear Parent(s)/Legal Guardian(s):

This letter is to inform you that there will be a service dog in our school assisting one of our students.

This service animal is a highly trained companion for our student and is able to assist in many of the routine activities which may pose some challenges for this student. Service animals are comparable to a guide service dog and are included in every aspect of the student's life. The student's right to have a service dog is protected under Human Rights legislation.

There will be information sessions at the school to integrate the service animal into our daily routines and all of our students will be instructed as to the proper procedure around the service dog. They will be informed that the service dog is a working service dog and not a pet while at school.

We anticipate the service animal being of benefit to the student's learning and we look forward to this new addition to our school and school community.

Thank you for your understanding, support and interest.

Should you have any concerns please contact the school.

Sincerely,

Mr. Brian Locken

Principal
