February 2026

Dear Parent/Guardian:

The purpose of this letter is to inform you about some of the out-of-school activities or events in the local school community in which your child will participate during the course of this year. Your signature at the bottom of this form confirms that you are aware of the information provided in this letter.

The River East Transcona School Division and the staff of River East Collegiate recognize that valuable and unique learning can take place outside of the school building. We are therefore encouraged to make use of the total resources of the local community to meet curriculum goals.

During the course of the school year, student groups will engage in activities within the local community that take them out of the school building. These activities may include but are not limited to activities and events such as fitness walking and winter activities in Physical Education Classes.

The risk of injury exists in all student activity. However, due to the very nature of some activities, the risk of injury may increase. The safety and well-being of students is a prime concern and every effort is made to minimize the foreseeable risks inherent in any activity.

While participating in school activities, which take them into the community, it is expected that students will conduct themselves appropriately during all aspects of schooling.

I / We understand and acknowledge that my / our child may suffer personal and potentially serious injury due to an unforeseeable event associated with participation in sports, recreational activities and other off-school site programs, and voluntarily assume the risk of injury inherent in the sport, recreational activity or other off-school site program.

I / We understand that, in case of emergency medical or hospital services being required by the above-listed participant, and with the understanding that every reasonable effort will be made by the school/hospital to contact me, my signature on this form authorizes the board, through its employees, agents, and officers [to] secure such medical advice and services as they deem necessary for my child's health and safety, and that I shall be financially responsible for such advice and services.

I / We understand that the Rules and Regulations pertaining to this activity are designed for the safety and protection of participants.

I / We acknowledge my right to obtain as much information as I require about this program or activity and associated risks and hazards, including information beyond that provided to me by the school.

I / We acknowledge that it is my responsibility to advise the school of any medical and/or health concerns of my child that may affect his/her participation in the stated program or activity.

I / We understand and agree that this is a part of the school program. I / We also understand that as a result of participating in this program that the participant is expected to follow the school procedures and code of conduct and that any deviations from these may result in consequences from the school administration.

I / We declare having read and understood the above INFORMED CONSENT AGREEMENT in its entirety and hereby consent to participate being aware of all the foregoing.

Parental Informed Consent: Before your child may participate in any local community activities, this signed consent form must be received at the school.
