Painting Pysanka (Easter Eggs)

During Ukrainian Club, students painted Pysanka which are traditional Easter eggs.

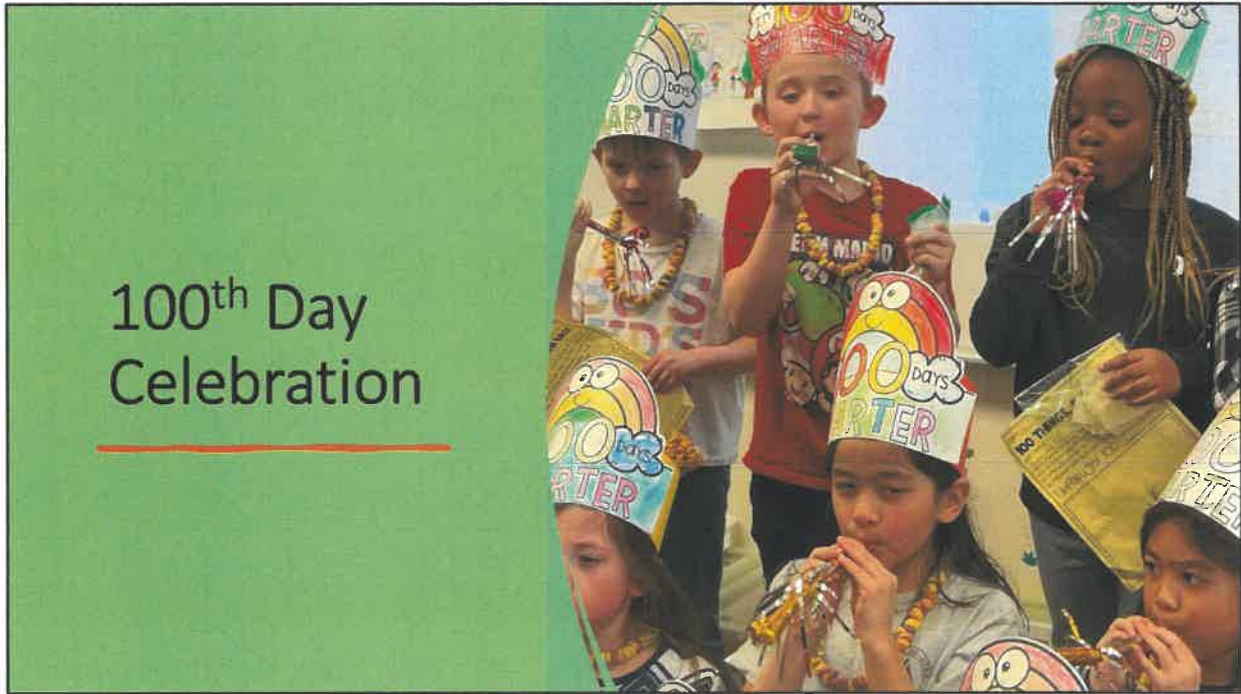

WSSC hosted a well-attended Family Movie Night. Families enjoyed the newly released version of the movie, “Puss and Boots”. Many families also indulged in some Domino’s pizza, freshly popped popcorn, and pop drinks. Sincere thanks are extended to the WSSC Committee for organizing this event and to all the families who attended.

Mr. Jeff McPherson working with the Mrs. Copeland's Grade 1/2 class on Minecraft community. The class has been working on community studies and this Minecraft activity fits in so well with the curriculum! The children loved this activity and worked so well together to support one another as they navigated this new world.

100th Day Celebration

Grade 1/2's celebrating 100 days of learning for the 2022
– 2023 school year.

100 Days Smarter

Students are proud to be 100 days smarter than when they started school on September 7th. The Grade 1/2 's have been learning to count to 10, making groups of 10, skip counting by 10's, and know that 10 groups of 10 make 100 delicious snacks for us to eat and share. After all, they are smart cookies!

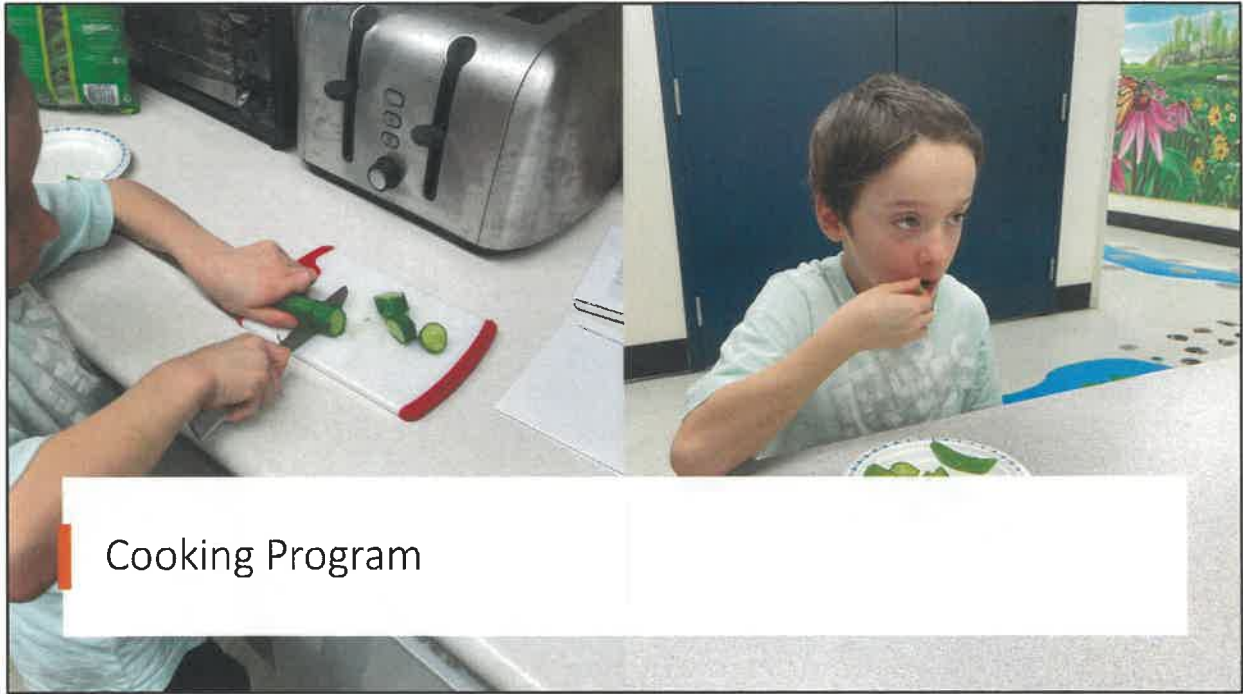

Grade 1/2 making crystals during Science class. Informative, fun, and with beautiful results.

Ms. Copeland's Grade
1/2 Class – Teddy
Bear Reading Buddies

Mrs. Copeland's Grade 1/2 class were introduced to the Teddy Bear Reading buddies and enjoyed some hot chocolate and some Teddy Bear Graham cookies for a special treat.

Cooking Program

During the Cooking Program some students are learning some essential skills, such as learning to cut with a knife safely.

Preparing Healthy Snacks

Students of the Cooking Program just finished working hard at improving their cutting skills. Now they get to sit and enjoy their veggies and dip and have some social time with one another.

Cooking Program – How to bake and decorate cookies

Another skill the students were learning during Cooking Program was how to bake and decorate cookies, and of course, how to eat them too!

The students also learned how to make pudding during Cooking Program. Students are having fun while learning essential skills and socializing with one another.

Snack Program – Special Deliveries

The Snack Program continues to provide students with free healthy choices snacks on a daily basis and often includes granola bars, cheese strings, yogurt, fresh fruit, etc. Students are instrumental in counting out fruit for the classroom bins and handing out the refrigerated snacks. The snack program is a universal design so that all students and staff may access the treats.
