

# BIRD'S HILL SCHOOL LUNCH PROGRAM

## POLICIES AND EXPECTATIONS

2024 / 2025

### 1.0 POLICIES

#### 1.01 PURPOSE

The Bird's Hill School Lunch Program (BHSLP) is dedicated to providing our students with a positive environment of respect, responsibility and safety, where parents/guardians may choose to have their children supervised over the lunch break.

#### 1.02 ABOUT THE PROGRAM

The BHSLP is a user pay lunch supervision program. It is in place to provide a safe environment for the students to have lunch. Only those students registered in the Lunch Program may stay at school for lunch.

Supervisors, hired by the BHSLP Committee, will supervise the playground during lunch recess and monitor the classrooms and hallways while the students eat their lunch. Please ensure your child has weather appropriate clothing. During inclement weather, students will remain inside.

Students who do not participate in the lunch program may not return to school before 1:15 pm.

Students will provide their own lunches and will eat in their classroom. This program does not provide hot meals. We do not supply spoons or forks.

There are no microwaves available for heating student lunches. One alternative for the students could be the usage of a thermal insulated container to transport food to school.

In accordance with River East Transcona School Division Anaphylaxis Avoidance Strategies, the BHSLP is reminding parents / guardians to refrain from sending peanuts, peanut butter, peanut oil, nuts and products containing them to school. These products could have a fatal result for children with this allergy. This includes products that have the label "May contain nuts" and / or "Made in a factory that produces nut products".

The BHSLP is not a fund raising venture. It is a non-profit organization and all the money collected is used to pay the salaries of those hired to supervise during the lunch break, any training required, and for miscellaneous expenses related to the operation of the Lunch Program. All funds from this program are managed in the BHSLP bank account and are separate from any School bank accounts.

### 1.03 REGISTRATION

Registration forms will be sent home with every student and they may participate in the Lunch Program by returning a completed Registration Form together with applicable post-dated cheques if required, to the Bird's Hill School Office.

The parent / guardian will be advised that if payment is not received by the specified date, the outstanding account will be forwarded to the School Administration and their child will be removed from the Lunch Program. Should there be any difficulty in reaching a specified date for the payment to be received, the outstanding account will be forwarded to the School Administration.
3. At ten (10) school days past due, or at the specified date set in number 2 above, the late payment will be viewed as a parental decision to no longer use the services of the Lunch Program. Should the parent / guardian wish, their child may participate in the Lunch Program again by paying all outstanding fees in full.

## 1.09 REFUNDS

Please send a written notification of the student transferring out of the school to the Treasurer, Bird's Hill School Lunch Program. This **does not apply** to Grade 5 graduating students.

## 2.0 EXPECTATIONS

The BHSLP would appreciate your cooperation in having your child follow the Lunch Program Expectations listed below. These expectations are in place to make the lunch break a safe and friendly place for all children attending the Lunch Program. You will be notified if your child does

not follow these expectations. If the behaviour continues, your child may be removed from the Lunch Program. Please see the Behaviour Management Policy below.

2.01 Please follow Bird's Hill School Lunch Program's / Bird's Hill School's Expectations

**Please see the last 3 pages for behaviour expectations.**

If everyone follows these expectations, all students at Bird's Hill School will be safe and have fun.

Parents have the responsibility to review and promote cooperation of these expectations with their child on a regular basis. **Students who fail to cooperate with Lunch Program staff and/or to follow Lunch Program expectations may lose the privilege to remain in the Lunch Program.**

2.02 BEHAVIOUR MANAGEMENT

The River East Transcona School Division adheres to the "Code of Conduct" to promote a healthy school culture. The RETSD believes that all staff, parents and students have a responsibility to maintain a safe, caring and respectful environment where everyone has the right to be treated with dignity and respect. Students, parents and staff are to behave in a respectful manner and comply with this code.

Our School's Lunch Program has some basic expectations that students are expected to follow so that we can maintain a safe, respectful and relaxing atmosphere for all lunchtime participants. These expectations are reviewed continuously with all students throughout the year.

From time to time, a small number of students find it difficult to follow the expectations of good behaviour for the Lunch Program. These students are given reminders and encouragement to behave. When concerning behaviour persists, then you have a right to know about it.

Therefore, when a student is not following the lunch and / or playground expectations during the lunch break, the Lunch Program Coordinator, in consultation with School Administration, will implement the following procedure:

1. The Supervisor will speak to the student about the problem. An Incident Report may be filled out. If an Incident Report is filled out, it will be given to the Coordinator and Administration will be informed.
2. In the case of ongoing unacceptable behaviour or in the event of a serious incident, an Incident Report will be filled out, submitted to the Coordinator and the Administration will be informed. Administration will contact the parent / guardian to enlist their support. A continuum of strategies will be used as a response to lunch time behaviour issues. These could include verbal reminders, lunch recess time out or lunch in an alternative location.
3. Should the unacceptable behaviour continue or be of a serious nature, the student may lose lunch privileges. Parents would need to make other arrangements for their children during the lunch break. As per Divisional policy, any alternate arrangements are exclusively the responsibility of the parents / guardians.

Experience tells us that where a policy like this is in effect, students are careful to conduct themselves in a reasonable manner with very few students losing their privilege to have lunch at school.
