## NOTE TO ALL PARENTS\GUARDIANS AND STUDENTS IN THE RIVER EAST TRANSCONA SCHOOL DIVISION

### BUS EVACUATION DRILLS

"The Public School Act P250-R.M. 465/88 R - Pupil Instruction:  
The school board shall ensure that at least twice in each school year each pupil is instructed in safe school bus riding practices and participates in emergency school bus evacuation drills which shall be conducted at least once during the Fall term and at least once during the Spring term of each school year."

The River East Transcona Transportation Department has an excellent safety record. In maintaining this record we carry out Bus Evacuation Programs in all our schools in the early Fall and late Spring of each school year.

These practice drills are carried out so that in the event of an emergency our students can evacuate the bus as safely and as quickly as possible.

The safety of our children is of the utmost importance and must be given first consideration.
