Dear Kindergarten Parents / Guardians:

Re: 2025 / 2026 Lunch Program Registration

Welcome to Bernie Wolfe School. Your child will be staying at school for the full day when they are at Kindergarten. This means that your child could be staying at school during the lunch break, if that is what you choose.

Please find attached our Registration Form for the Bernie Wolfe School Lunch Program for the 2025 / 2026 school year. We encourage you to read through the Policies and Expectations which were emailed to you and which can also be found on the Bernie Wolfe School website. The Policies and Expectations explain our program and contain important information. Here are a few things to note:

Any Kindergarten student who is staying at Bernie Wolfe School during the lunch break, even once, including students travelling by school bus needs to be registered with the Bernie Wolfe School Lunch Program (BWSLP).

The BWSLP Committee provides on-site supervision of students staying at the school during the lunch break. As lunch breaks are a parental responsibility, if your child is not registered in the BWSLP you must make other arrangements for your child(ren) during the lunch break.

Please return a completed Registration Form for your child, along with the applicable post-dated cheques through the school office no later than **Friday, September 12, 2025**. **Please place your payment in a sealed envelope with your family name on the outside identifying which child or children you are paying for.**

Please note that:

- The user fee for a Kindergarten child registered as full time for the 2025 / 2026 school year is \$80.00.
- Information on registration and payment options can be found in Sections 1.03, 1.04 and 1.05 of the attached Registration Package.
- Cheques may be dated **September 12, 2025** or as indicated in Section 1.05 of the attached registration package.

If you have any questions or concerns, or if you would like more information on becoming involved with the BWSLP Committee, please contact us by leaving a message with the school office (204.958.6532).
