

## **Chartered Professional Accountants (CPA) High School Scholarships**

The [CPA Manitoba Foundation](#) is delighted to be awarding the Chartered Professional Accountants (CPA) High School Scholarships to graduating grade 12 students across Manitoba. Up to thirteen scholarships in the amount of \$1,000 each will be awarded, including six awards specifically for students in rural Manitoba.

We need your assistance in sharing this opportunity with your students. **If you know of a deserving student who may qualify for this opportunity, encourage them to apply today!**

We are looking for well-rounded students who meet the following criteria:

- Grade 12 student who will be attending one of Manitoba's universities (students planning to enter a community college or a university outside of Manitoba are not eligible unless the student plans to bridge from college to a Manitoba university);
- Overall average of 80% throughout grades 10 to 12 (based on the most current available information);
- Has an interest in an accounting or business career;
- Is involved in school and community activities.

2024 High school applications will be accepted until **May 6, 2024**. Application forms can be found here: [High School Scholarships](#)

If you have any questions please do not hesitate to contact Alexis Sutherland by [email](#).

Thank you and we are looking forward to meeting our business leaders of tomorrow!
