

## **Chasing Brooklyn by Lisa Schroeder**

Every time Brooklyn closes her eyes Gabe's ghost is there. Only a year ago her boyfriend Lucca died and now their friend Gabe died of an overdose. She has no idea why he is there or what he wants. Nico is constantly running like he is running from the loss of his brother. One night Nico starts getting messages from Lucca to help Brooklyn. As paths collide Brooklyn and Nico begin training for a triathlon, but will they become more than friends?

I recommend this book to people who enjoy reading love stories, ghost stories, and sad stories. You will enjoy Chasing Brooklyn by Lisa Schroeder.

My symbol is a flower because in the book Chasing Brooklyn by Lisa Schroeder Brooklyn and her boyfriend Lucca love art. Lucca draws animation and Brooklyn draws flowers. The flower represents a connection Brooklyn had with her boyfriend Lucca before he died.
