

Choosing Ceremony

Erudite

I shake. I shudder

He hands me the knife
and I hesitantly take it.

I cut into my palm and close
my eyes. Slowly, I close my
fingers over the blood.
I thrust out my hand

I open my eyes. The
blood dripped between
Abnegation stones and
Dauntless flames.

I shift my hands toward
the flames of Dauntless

I am selfish.

I am brave
