

HAMPSTEAD SCHOOL

COMMUNITY REPORT

2024-2025 SCHOOL GOALS

- ✓ Students will become literate citizens who use language to communicate, comprehend and critically think.
- ✓ Students will become numerate citizens who use mathematics with confidence, accuracy, and efficiency.
- ✓ Students will become safe and caring citizens who are committed to respecting diversity, inclusivity, equity, and sustainability.

HOW WE MET OUR GOALS...

- ✓ All teachers engaged in professional development around inquiry-based learning, and supported students' curiosity and wonder in new and engaging ways.
- ✓ Collaboration, co-teaching and working together helped us reach even further.
- ✓ Our deepened focus on reading and writing strategies have supported student growth across all curricular areas.
- ✓ Our continued work on Sources of Strength, Zones of Regulation, Project 11, mindfulness, outdoor learning and Thrival Kits has resulted in students feeling safer at school and being better prepared to learn.
- ✓ Students celebrated, Black History Month, I Love to Read Month and Kindness Week by participating in events that focused on building literacy skills and developing positive relationships.
- ✓ We continued to procure a wide variety of quality literature that we used to model and support classroom instruction of reading and writing.
- ✓ Our Pedagogy Support Teacher worked collaboratively with all our teachers to enhance teaching practice in the areas of literacy and numeracy.
- ✓ Our EAL Learners were provided with support from an EAL Literacy Support Teacher, Resource Teacher & School Counsellor and as a result the students benefitted greatly.
- ✓ Our Indigenous Literacy Support Teacher and Reading Recovery Teacher helped many of our students to see success in reading and writing.
- ✓ All students participated in whole-class IAA teaching and learning activities led by ILST and classroom teachers, authentic reading/writing tasks were included in these lessons.
- ✓ Hampstead introduced a full-time Attendance Youth Care Worker to our team, who supported improved attendance of students throughout the year.
- ✓ Hampstead staff continued to focus on best practices in Math learning and spent considerable time implementing new and innovative numeracy strategies in classrooms.
- ✓ Our staff was able to embrace technology in an incredible way enhancing our students digital literacy skills.
