Warm Hearts, Warm Hands

Did you know that there are people in our very own city of Winnipeg and our province of Manitoba that do not have mittens to keep their hands warm? It is sad but it is actually really true.

We would like to ask everyone if they might please think about maybe buying some new mittens and bringing them into school so that we can donate them all to kids and adults who need them. Donate is a fancy word that means giving something to someone else for free. We are making posters to stick up around our school in the hallways to remind everyone to please think about maybe buying some new mittens to help keep other people in our city warm during this long, chilly season of winter. We are calling this plan "Warm Hearts, Warm Hands" because it makes our hearts feel warm and happy when we can help someone else and when we do help them, their hands will be warm too.

It's okay if you do not have time to or forget to bring some new mittens to school, but if you would like to give some, please bring them to school on or before Monday, December 15th, 2025.

Thank you very much! Merci beaucoup! 😊

A message from Ms. Sherby's grade 1 class in Room # 03

It is the holiday and winter season, and Room 3 students have been reading, creating, and learning about different holiday and winter activities! We read the book, Howard B. Wigglebottom and the Power of Giving and then created our own 12 Days of Holiday Kindness check list for our class. We discussed the importance of giving our time with family and friends during the holiday season to show love and kindness.

Since it has also been so cold outside, we made soup as a class after reading one of the books called, Dogs Don't Eat Soup! We followed the recipe at the end of the book, and we brought ingredients from home and made the soup together. It was a delicious hamburger vegetable soup. The best part was eating the soup as a class family.

Happy Holidays!

A message from Mme Dufort's & Mme Fraser's grade 1 & 2 classes in Room # 05

Season's greetings from room 5.

As we head into Christmas break, it's hard to believe how quickly the school year is already flying by! Our Grade 1/2 split class has been a tremendous success, with the Grade 2s proudly stepping into leadership roles and helping to guide their younger classmates. Students have been busy exploring hands-on science experiments, creating festive holiday crafts, and rehearsing with great enthusiasm for our winter concert. Their energy, teamwork, and excitement are truly wonderful to see as we wrap up this first part of the year.
