What's Happening at École Neil Campbell School?

Request for unique sports games:

Parents we need your help! Did you grow up playing a game that we might not play here in Canada? Mme. Skinner and Mr. Robinson are looking to introduce some new games to our students. They are looking for games that you might have played with your friends and could be played here in our gym without a lot of equipment. If you have a game like this in mind and you can explain the rules to us we would love to try it out. On November 20th during parent teacher interviews stop by the gym and speak with either Mme. Skinner or Mr. Robinson about the games you played as a kid.

École Neil Campbell Lunch Program:

Are you retired, a stay-at-home parent, or someone who works shift work? Neil Campbell Lunch Program is looking for full-time supervisors to oversee our kids during the lunch hour. Lunch supervision is a fun and rewarding experience, and a great way to get to know our school community! This position pays \$20/shift. If you're interested, please email nclunchprogram@gmail.com to sign up today!

A message from Mme Nanton's Kindergarten class in Room # 01

This month, our class enjoyed some wonderful outdoor learning experiences in the forest. The children explored the natural environment with curiosity and enthusiasm as we searched for sounds, smells and colours in Nature. We also gathered fallen branches to use in a hands-on measurement lesson. After comparing lengths and discussing their findings, the students worked together to bring the branches back to the classroom. We then used them to create a special Christmas gift for families, allowing the children to connect their learning with a meaningful and creative project.
