

E-Memo February 14, 2025

It has been an amazing week!

On Tuesday, we had several U of M students set up stations in our school to celebrate International Day of Women and Girls in Science. Every student got to tour and participate in all sorts of hands-on activities and learn more about the science around us. Today we celebrated Festival du Voyageur with pancakes and live francophone music followed by activities and games in the afternoon. It was a perfect end to a very cold week!

Parent Portal Information

Earlier today, an email was sent to parents in regards to the Parent Portal. Please note that the parent portal will not be activated until February 18.

Student-led Conferences

ÉJHMS student-led conferences will be held on Thursday, February 27 between 4:30-7:00 p.m.

It will be the same format as we had in November. This is a time for sharing and celebration with your child. Student-led conferences will have multiple families in one room with staff circulating. If you have concerns you would like addressed privately, please reach out to your child's teacher to schedule a separate appointment.

To support the coordination of our student-led conferences, we will be asking that you login to the Student Conference Manager and select the teaching team or the homeroom teacher and the time that you would like to drop in. Subject area and specialist teachers will be available that day on a drop-in basis. Students will need to be at the appointment with you. Conference Manager is already open and will close on February 27 at noon.

If you have never used Conference Manager, click the Conference Manager Login link below and sign up.

Fundraising

Fundraising for Krispy Kreme and Tenderloin forms were sent home with students. If needed you can also click on the link for the forms and information. [Fundraising Information and Forms](#)

2025-26 Registrations

Registrations for the next school year have now been handed to students. Please fill them out and return to school with your student.

Robert Andrews Open House

Robert Andrews will be having an open house on Thursday, February 20 beginning at 6:00 with a presentation in the gymnasium.
