Dear Families,

Happy New Year!

We are back to Remote Learning for next week. Our teachers have prepared activities for your children to do in the hope that we will see them in person on Monday January 17<sup>th</sup>. These activities have been planned with the home setting in mind. There is flexibility in how the students do them and they should be able to do many of them independently. The students that are children of critical service workers will be at school doing similar activities. Teachers are also planning to do some check-ins with students so they can stay connected. This will be done through Microsoft Teams. Most of our students have had the opportunity to use Teams and know how to log in to access their accounts. If you have questions about this please email your child's teacher.

We will keep you updated with new information from RETSD and the MB government, when we get it.

We have a new staff member filling in for Mrs. MacFarlane in Grade One. Her name is Meghan Sadowy.

Mr. Bishop has been working as our head caretaker while Mr. Caithness is on leave. We appreciate the work he has done for our school.

Our CSA and Lunch Program Committee meetings have been cancelled for the month of January. Our next one is on February 2<sup>nd</sup>. Depending on the PH orders it may be virtual. Thank you to our committee members for their dedication.

Thank you for caring so well for our school community. We hope to see all of our Angus Nessies soon – we can do this while we support each other!

Lorilee Woelcke
