Friday, February 27, 2026	No School – École Neil Campbell In-Service Day.

Important School Reminders & Announcements

Please go to our [school's website](#) for detailed information and up to date reminders about our school. Remember to check out our school's [news](#) and [calendar](#) for upcoming important dates (you can even subscribe to have the calendar sync to yours so you'll never miss an important date!).

The following sections are updated regularly and contain important information:

- [Parents & Community](#)
 - [Important school reminders](#) like lunch program, student absences and more.
 - [E-Memos](#). Latest weekly e-memos are added to our website.
 - [Parent Association](#), Parent Advisory Council (PAC) information and meeting minutes.
 - [Parking information and guidelines](#)
- [Policies](#)
- [Documents & Forms](#)
- [Cold Weather Guidelines](#)
- [Transportation](#) information including bus cancellations and delays.
- [Programs & Services](#)

Parking: Please do not stop near our Patrols; doing so makes it unsafe for them and the students they are helping to cross safely. You can report parking/stopping infractions at: [Report a parking violation \(winnipeg.ca\)](#). This page shows that "No Stopping" along with other infractions can be enforced with a picture, and drivers will have a ticket mailed out to them without even knowing they have incurred a ticket. The picture highlights the areas (in red) that our Patrols are stationed, as well as multiple no stopping and parking zones. **Please make sure you are paying attention to the City of Winnipeg's signage surrounding our school to avoid getting a parking ticket.** Thank you for helping to create a safer environment around our school.

What's Happening at École Neil Campbell School?

School survey

École Neil Campbell community, we need your help. As a school we are looking to update our Welcome to École Neil Campbell school banner in the front entrance. We want this banner to better represent the diversity we have in our school by welcoming visitors in the languages spoken in our community. If your family speaks a language other than French or English at home, please take 2 minutes to complete this survey ([Welcome to École Neil Campbell – Fill in form](#)). Thank you!

Universal School Nutrition Program survey – The Manitoba Government wants to hear from you! Please see attached PDF letter from Manitoba Education and Early Childhood Learning, and the survey link.

Kindergarten Registration

If your child will be five (5) years of age on or before December 31, 2027, they are eligible to register for kindergarten beginning Monday, March 3, 2026.

Starting on Friday, Feb 14 2026, fillable PDFs of our registration will be available on our school website under the [Documents & Forms](#) section, or for pick up from our school office. Transportation forms are available on the RETSD website under Parent & Students, [Transportation](#).

École Munroe Middle School Open House – An open house will be held Wednesday, February 11 from 5:30pm to 6:45pm. Learn all about the English, French Immersion, and unique Late entrance French Immersion programs. See attached PDF for more details.

École John Henderson Middle School Open House – A drop-in open house will be held Thursday, February 12 from 4:30pm – 6:30pm. Learn all about the English and French Immersion programs.

École Neil Campbell Lunch Program:

Are you retired, a stay-at-home parent, or someone who works shift work? Neil Campbell Lunch Program is looking for full-time supervisors to oversee our kids during the lunch hour. Lunch supervision is a fun and rewarding experience, and a great way to get to know our school community! This position pays \$20/shift. If you're interested, please

email nclunchprogram@gmail.com to sign up today!

Calling all Volunteers! - Individuals wishing to volunteer in a classroom, or attend a field trip as a volunteer, must submit a Volunteer Form. These forms are available in the school's office and are valid for three (3) years. If you have previously filled out a Volunteer Form but do not know if it is currently valid, please contact the school's office and we will be able to check for you.

Please note, these forms take a few weeks to process once they are submitted, so please consider filling out the Volunteer Form as soon as possible to avoid delays for any upcoming volunteer opportunities.

A message from Mr. Moffatt's grade 3 & 4 classes in Room # 14

We have been busy in Math class. They students are perfecting their division skills, and we learned that division and multiplication are very closely related! In fact... one strategy to solve division problems is to work backwards and use multiplication! Many kids love this strategy, because they are already familiar with multiplication.

But wait - there's more! We are also learning how to interpret data and graphs. Some graphs even look like pies! We are relating these math lessons to zones of regulation, and strategies to help children move from the yellow zone to the green zone. We can learn strategies for math at the same time as learning strategies in health.

A message from Mme Sotiriadis' grade 4 classes in Room # 13

Brrr! It's cold outside!

We sure have been busy this last month with I love to read activities. We had guest reader Brigitte Lenoski (former French teacher and hobby artist) come to read to our classroom and teach us about art.

In science we have been learning about the properties of sound and will soon be building our own musical instruments in class.

We have also gotten started on our classroom garden. Students have had the opportunity to prepare planters with soil, nutrients and fertilizer as well as plant seeds in peat pellets.

For Social Studies, we have been conducting a research project on Nunavut and the Inuit people. We are hoping to have a Power Point presentation ready sometime in March. Festival du Voyageur is also fast approaching, and we are excited to go on a field trip to experience some métis music and history.

In Math we have been working on practicing our multiplication and division facts as well as learning strategies to solve two by one-digit multiplications.

Wishing you all a happy winter season!

Mme Sotiriadis's Grade 4 class

WINTER 2026 Newsletter

Kinder Links programs provide families with young children (birth to age five) with opportunities to play, learn, and connect with each other. These FREE parent-child programs feature fun, educational ways to explore literacy, numeracy, physical health, well-being, and creativity through art experiences, rhymes, stories, activities, and games. They're an excellent way for young children to develop a lifelong passion for learning, develop their skills and self-confidence, and prepare for the adventure of school!
