Parking: Please do not stop/park near our Patrols; doing so makes it unsafe for them and the students they are helping to cross safely. You can report parking/stopping infractions at: [Report a parking violation \(winnipeg.ca\)](https://www.winnipeg.ca/report-parking-violation). This page shows that “No Stopping” along with other infractions can be enforced with a picture, and drivers will have a ticket mailed out to them without even knowing they have incurred a ticket. The picture here highlights the areas (in red) that our Patrols are stationed, as well as multiple no stopping and parking zones. **Please make sure you are paying attention to the City of Winnipeg’s signage surrounding our school to avoid getting a parking ticket.** Thank you for helping to create a safer environment around our school.

A message from Mme Stewart's grade 5 class in Room # 19

The days are getting longer and we're looking forward to welcoming the bright colours of Valentine's Day, and eventually spring! Students in room 19 created pop art this week, inspired by the repetitive motifs and complimentary colours of Andy Warhol's art. Students were challenged to use oil pastels to create different effects such as shading and highlighting.

A message from Mme Katiniaris' grade 5 class in Room # 20

Hello from Grade 5K!

We have had an exciting month filled with lots of activities celebrating reading. At the start of the month, our 5ers set reading goals and tracked their reading over the month. We made bookmarks and did crossword puzzles with our Learning Buddies and listened to them read their stories. As our class is very competitive, we were very into the Guess the Book Snippet contest. We dressed up as book characters, decorated book covers, and swapped teachers. Ms. Sherby came to read to us. For our guest reader, we zoomed with Ms. Katiniaris' sister and her class of students at Dufferin School. We even got cozy with our jammies, stuffies, and flashlights! We researched creating the most awesome decorated door ever and enjoyed touring the school to see the other class doors. Our class kicked off the school's collective story, and our beginning about Nugget and Munchkin led to some hilarious twists and turns! We also loved playing Guess the Teacher. In Art we learned a bit about Pop Art and created Pop Art paintings of our favourite things. We are looking forward to learning about the fur trade in Social Studies and are planning a field trip to Festival du Voyageur!

Positive Behaviour Intervention and Supports (PBIS) Update

PBIS is an evidence-based framework that proactively promotes positive behavior and addresses student needs through individualized support. By establishing clear expectations, consistent reinforcement, and data-driven strategies, PBIS empowers school staff to foster environments where students succeed academically and behaviorally.

This year, Neil Campbell is excited to introduce an updated behaviour matrix built around our three simple guiding principles: We are safe, respectful, and responsible. These principles help students understand our expectations and what positive behaviour looks like in all areas of school life—from classrooms and hallways to the playground and bus.

Being safe means making choices that protect ourselves and others. Being respectful means treating people, property, and learning spaces with care and kindness. Being responsible means doing our best, following expectations, and taking ownership of our actions. By using this common language across the school, we are helping students build strong habits that support learning, belonging, and success for everyone.

Stay tuned for more information on another school-wide support, Zones of Regulation, in February.

You can find these matrixes on our website under our [Policies](#).

At Neil Campbell School, I am:			
SAFE	 I keep my hands, feet and body to myself.	 I walk.	 I listen to adults.
RESPECTFUL	 I use kind and polite words.	 I use an appropriate voice level.	 I take care of people, places and things.
RESPONSIBLE	 I make good choices.	 I do my job and let others do theirs.	 I own my words and actions.

À l'école Neil Campbell, je suis :			
PRUDENT	 Je garde mes mains, mes pieds et mon corps à moi-même.	 Je marche.	 Je suis les instructions des adultes.
RESPECTUEUX	 Je suis poli avec mes mots.	 Je choisis un niveau de volume approprié.	 Je prends soin des personnes, des places et des choses.
RESPONSABLE	 Je fais de bons choix.	 Je fais mon travail et je laisse les autres travailler.	 Je prends responsabilité de mes mots et de mes actions.
