Important School Reminders & Announcements

Please go to our [school's website](#) for detailed information and up to date reminders about our school. Remember to check out our school's [news](#) and [calendar](#) for upcoming important dates.

Volunteering at École Neil Campbell School: Updated guidelines have been put in place for the new school year, throughout the River East Transcona School Division (RETS D). These guidelines ensure a safe and secure environment for our students is maintained. The annual registration process helps ensure that schools and HR maintain accurate records and that volunteers understand their responsibilities, expectations, confidentiality obligations, and applicable screening requirements.

Beginning June 1, 2026 all volunteers are required to have the following items cleared by the Human Resources Department of the River East Transcona School Division (RETS D) before they are allowed to volunteer during the new school year. Early completion of these requirements will help ensure volunteers are approved and available to support school activities, field trips, extracurricular programs, and classroom initiatives at the start of the school year.

- An RETSD Volunteer Application Form (available in the school office).
- A Child Abuse Registry (CAR) check (available in the school office).
- A Criminal Record Check (CRC) with Vulnerable Sector Check (VSC) (completed online if living in Winnipeg, or at the RCMP district office if living outside of Winnipeg).
- Certificate of Completion for the following mandatory online training:
 - Commit to Kids or Respect in School (volunteer's choice).
 - Respect in Sport Online Training Program (required for volunteers applying for Coaching roles).

Next steps: Please come into the school office to complete the required forms **before June 26, 2026**.

You can also pick up a "Toolkit for Volunteers"; this guide will help you through the process of applying and submitting the documents. If you have any questions, please contact the school office at 204-661-2848 or by email at nc@retsd.mb.ca. Thank you for supporting our students and schools.

Important School Reminders & Announcements

Lost and found items: Our lost and found is overflowing! We'll be putting out the items next week on some tables, please come have a look to see if your child's belongings are in the mix. Any items not claimed at the end of the year will be donated.

Weather Reminders: Warmer weather is here and that means it's not uncommon to see some heat rashes or allergies pop up. A parent/guardian may receive a phone call from the school letting them know of a rash, but most cases will not be an emergency. When it's really warm, we monitor the students for overheating, turn off or lower our classroom lights, and have large fans going in the hallways and classrooms to keep the air moving. We take our direction regarding heat and physical activity from [MPASS](#) (Manitoba Physical Safety in Schools). Click the link for more information. It is a good idea to send a hat with your child to help keep the sun off them while they're outside enjoying recess times. If you choose to protect against the sun, heat, and insects with sunscreen or bug spray, these items should be applied before sending your child(ren) to school.

Are you moving? If there are plans for your family to be moving soon or over the summer break, please let the school office know as soon as possible. Any address changes need to be updated promptly and may affect registration for the upcoming school year. Click on the following link to learn more about [your options](#) when moving.

Field day – Calling all Parent/Guardian Volunteers! ÉNCS is having a Field Day for all grades on Friday, June 19 (rain date will be Tuesday, June 23). If you'd like to volunteer to help during our field day activities, please contact our gym teacher Mme Skinner at askinner@retsd.mb.ca. Please note, all volunteers must have their Child Abuse Registry check (CAR), and Criminal Record Check (CRC) with Vulnerable Sector Check (VSC) completed and accepted by the RETSD **before** they are able to volunteer. Students should dress appropriately for the weather; layers are a great option, and students may want to bring a hat, sunscreen, and water bottle.

Lunch Program – Reminder that registration for the 2026/2027 lunch program were due Friday, June 5, 2026. Electronic forms were emailed on May 4, 2026. [Lunch Program registration forms](#) are available on the school website, or you can contact the school office to have one sent home with your child.

Are you retired, a stay-at-home parent, or someone who works shift work? Neil Campbell Lunch Program is looking for a full time supervisor to oversee our kids during the lunch hour. Lunch supervision is a fun and rewarding experience, and a great way to get to know our school community! This position pays \$20/shift. If you're interested, please email nclunchprogram@gmail.com to sign up today!

Hot Lunch with Healthy Hunger – Accounts and orders can be made on the [Healthy Hunger](#) website.

A message from Mrs. Sandhu's grade 2 and 3 class in Room # 09

Growing as Artists

In Room 9, we are in our artistic mode! In September, students created self-portraits to show their beginning skills in art. In June, they revisited this project to reflect on how much they have learned and improved throughout the year. When comparing the September and June portraits, the growth is clear. Students are now using more advanced techniques such as cutting and layering paper, adding finer details, and showing stronger proportions in facial features. They have also improved their use of shapes, placement, and overall neatness, creating more polished and expressive artwork. We are proud of the progress and creativity shown by our young artists!

A message from Mme Sabourin's grade 2 class in Room # 06

This year in Grade 2, we have been working hard on *son-au-graphe*, which means connecting sounds (sons) to the letters or groups of letters (graphèmes) that represent them in French. Throughout the year, we explored many different sounds, which has helped students become stronger readers and more confident writers.

As students practiced recognizing and using these sounds, they began to notice patterns in words and apply their learning to both reading and writing activities. It has been wonderful to see their progress as they decode new words and express their ideas more clearly in French.

To make learning even more exciting, our class enjoyed playing a fun version of Hedbanz using the sentences and sounds we have learned. In this game, one student wears a sentence on their head while their partner reads it aloud. Using their knowledge of the sounds we have practiced, the student listens carefully and writes the sentence correctly. This activity has been engaging, collaborative, and full of fun as students build their listening, reading, and writing skills.

We are very proud of all the effort and growth shown by our Grade 2 learners. Keep practicing those sounds at home—bravo, tout le monde!
