Lost and Found

The lost and found has been placed on tables in the front foyer, please remind your students to take a look through it to see if they can find any missing items. Unclaimed items will be sent for donation on Thursday afternoon.

Badminton

Grade 7 and 8 badminton team tryouts will be held next week. Please review the schedule at the bottom of the e-memo for specific times and dates.

Both teams will follow the same tryout process. The first 2 practices will be skill development sessions while the final 2 practices are simulated games where results will help determine the final team. On each team, there will be 3 teams of the following:

- Boys Singles (3 players)
- Girls Singles (3 players)
- Boys Doubles (9 players)
- Girls Doubles (9 players)
- Mixed Doubles (9 players)

30 students from each grade will make the team. Unfortunately, only 2 teams will get to go to the divisional tournament and the 3rd will serve as alternates.

If there are any further questions, or you'd like clarification on the teams, please feel free to consult the Phys Ed page on École John Henderson's website or email jholland@retsd.mb.ca.

Field Redevelopment Help Needed

As we move to the next phase of our field redevelopment, we need some help with grant writing and finding. The plans for our new field design are posted in the front entrance of the school if you are wondering what the fundraising is going towards. You are welcome to come and have a look. Please email Leslie Dent at leslieddent@gmail.com if you are interested in helping. She is a parent at our school and has been volunteering her time to help this project along.

Reminder About Technology Expectations

Reminder that personal devices that connect to the internet (e.g., smartwatches, tablets, cellphones, laptops) are not permitted at school as directed by the Government of Manitoba. When possible, we recommend that students leave all personal electronic devices at home.
