Field Redevelopment Help Needed

As we move to the next phase of our field redevelopment, we need some help with grant writing and finding. The plans for our new field design are posted in the front entrance of the school if you are wondering what the fundraising is going towards. You are welcome to come and have a look. Please email Leslie Dent at leslieddent@gmail.com if you are interested in helping. She is a parent at our school and has been volunteering her time to help this project along.

Reminder About Technology Expectations

Reminder that personal devices that connect to the internet (e.g., smartwatches, tablets, cellphones, laptops) are not permitted at school as directed by the Government of Manitoba. When possible, we recommend that students leave all personal electronic devices at home.
