CSA News

The week of November 1-7, the CSA will hold their first fundraiser with Domino's Pizza! All you need to do is order online, through the app, or by phone and ask for one of the two combos listed in the flyer! By giving that combo code, it will automatically give \$5.00 from your order to our school. Please see the attachment.

Remembrance Day

We will have a virtual Remembrance Day Service for our students. If students are learning remotely, they will be able to log on through Teams to watch it. We will have poppies for the students, but we ask that you don't send money. Please rather donate if you wish when you are out in the community. (At a grocery store, a pharmacy or near a Legion). Thank you, Ms. Schroeder, for organizing and preparing the Assembly.

Report Cards and conferences

Student report cards will be posted online on Tuesday November 23rd. You will be able to view them on the Parent Portal. New students to RETSD will be receiving a letter letting them know how to access the portal. There will be an email sent with information on how to access Conference Manager, and what virtual conferences will look like. Last year we had virtual conferences and the feedback was positive.

Student Conference Manager will be open to book virtual Parent Teacher Conferences beginning on November 15th. It will be open until the end of the day on November 24th. These meetings will be a celebration of student learning and possible next steps.
