Friday Dec. 10	 1	CSA 50/50 Draw! Grade 5 Reading/Writing club

Thank you for meeting with our teachers and celebrating our students! We've had a great first term.

Polar Bear Club

When it gets colder than -27 C with the windchill we have indoor recess. However, it is still beneficial for students to get fresh air. We have a Polar Bear club. Students that have parental permission may still go outside for the shorter (15 minute) recesses. It's completely optional and students can stay out for the entire 15 minutes or go in whenever they are cold. The only 'rule' is once you go inside, you stay inside.

This is so we can account for all the students and make sure they are safe. Teachers will be sending home the permission slips in the following weeks. Maybe it won't get that cold before Christmas? 😊

Our Grade 4 and 5 Leadership team is planning and preparing for a holiday themed Spirit Week from December 13- 17th. Stay tuned for more information!

CSA News

Thanks for participating in our 50/50 draw! The prize winnings are growing! We appreciate all the support. The draw take place on December 10. You can participate here: <https://tinyurl.com/j4y96d9j>

CSA will also be running a hot lunch on December 16th. There will be more information coming. The orders will be placed online, each student's meal will be individually packaged. Each student will need to bring their own drink and extras. If you haven't already, please send an email to angusmckaycsa@gmail.com to receive information.
