

E-Memo November 15, 2024

Thank you to all the families that attended our Student Led Conferences last week. It is a great way to celebrate all the hard work that students have been putting in and to see what they have accomplished in the last couple of months.

On Thursday of last week our school held a Remembrance Day ceremony. Many thanks to Lieutenant-Colonel Jon Baker for coming to speak with our school and to Don Blain for playing the bagpipes. We were very fortunate to have returning student, Katelyn S. who now attends Miles Macdonell, play the trumpet for our ceremony. Our students were extremely respectful and appropriate.

Friday, November 22 there is no school as it is a divisional PD Day. Our school will be locked, and the phones will go to message as the clerks are also involved in learning that day.

Kitchen Brigades

Every year, ÉJHMS helps families in need. With the holiday season coming up, the Kitchen Brigades is teaming up to help our community. We will be making and selling soup for \$2.00 on Wednesday, November 20 and Thursday, November 21 during lunch. Students are asked to bring their own bowl if possible. The money raised will help to provide gifts and food items for the families that we support through the Christmas Cheerboard. Come and show your support!

Report Cards

Reminder that report cards will be emailed to families on December 9.

Health Huddle

PAC News / Fundraising

Our Activate fundraiser has officially started for the month of November. See information poster attached. [Activate FAQ information](#)

Grade 7 Vision Screening

A vision screening for all grade 7 students will be carried out on Tuesday, November 26, 2024. The vision screening program is designed to detect signs of possible vision difficulties which may interfere with your child's learning and school progress. It is not intended to be a substitute for the vision examination performed by an Optometrist or Ophthalmologist (eye doctor) and glasses will

not be prescribed at this time. Students wearing prescription glasses will not be screened. Following the initial screening, you may receive a letter from the school division recommending that your child see an eye doctor for further assessment. CLICK ON THE LINK TO FILL OUT FORM:

[Grade 7 Vision Screening](#)

PLEASE NOTE: Because the screenings take place only once per year at each school, parents of children who are absent at the time of the vision screening will also receive a letter recommending follow-up, as no further school screening will occur.
