Important School Reminders & Announcements

Please go to our [school's website](#) for detailed information and up to date reminders about our school. Remember to check out our school's [news](#) and [calendar](#) for upcoming important dates. The following sections are updated regularly and contain important information:

- [Parents & Community](#)
 - [Important school reminders](#) like lunch program, student absences and more.
 - [E-Memos](#). Latest weekly e-memos are added to our website.
 - [Parent Association](#), Parent Advisory Council (PAC) information and meeting minutes.
 - [Parking information and guidelines](#) - Please make sure to pay attention to the City of Winnipeg's signage surrounding our school to avoid getting a parking ticket. You can report parking/stopping infractions at: [Report a parking violation \(winnipeg.ca\)](#).
- [Policies](#)
- [Documents & Forms](#)
- [Weather Reminders: Cold Weather Guidelines](#) & [Warm Weather Guidelines](#)
- [Transportation](#) information including bus cancellations and delays, and Fee for Service.
- [Programs & Services](#)

School Cash Online:

Please note that your School Cash Online account and the information showing in your ParentPortal may not be in sync. The two programs do not automatically update, so it is possible that you may receive an email from School Cash reminding you of your "due/pending payment". If you have already paid your fees, please ignore this notice for now, until we have had a chance to update the system on our end of things. If there are any remaining outstanding payments, you will be contacted by the school directly.

What's Happening at École Neil Campbell School?

École Neil Campbell School Lunch Program: Registration for the 2026/2027 lunch program is **OVERDUE**. Electronic forms can be accessed [HERE](#) or on the ÉNCS website: [Lunch Program registration forms](#).

Are you retired, a stay-at-home parent, or someone who works shift work?

Neil Campbell Lunch Program is looking for a full-time supervisor to oversee our kids during the lunch hour. Lunch supervision is a fun and rewarding experience, and a great way to get to know our school community! This position pays \$20.50/shift. If you're interested, please email nlunchprogram@gmail.com to sign up today!"

Please remember to send your child with forks and/or spoons for their lunch. The lunch program and the school office do not provide cutlery to students.

Regarding Head Lice - We have recently been made aware of one or more cases of head lice in the school. Please remember that head lice occur in all schools and can happen to anyone. We are asking that you remind your child to not share hairbrushes, hats, toques, or hoodies, and to try their best to avoid head-to-head contact with other students. More information can be found on [The Government of Manitoba's](#) website.

Volunteering at École Neil Campbell School: Updated guidelines have been put in place for the new school year, throughout the River East Transcona School Division (RETSD). If you are interested in volunteering, please email the school at nc@retsd.mb.ca for more information.

A message about Student Accident Insurance: Please see PDFs attached in our email for additional information about Student Accident Insurance covering Ambulance, Student Athletes, and Accidental Dental.

A Reminder about ordering photo packages with Edge Imaging: To qualify for free shipping for photos taken September 28, please make sure your orders are placed **before October 20**.

A message from our Parent Advisory Council (P.A.C.):

Our P.A.C is hosting a Halloween dance party on October 22 from 6:00pm-8:00pm. See attached PDF for more information.

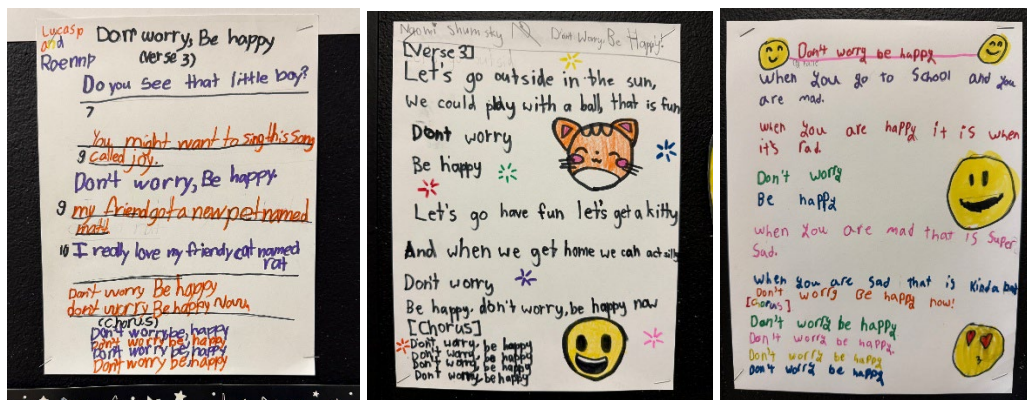

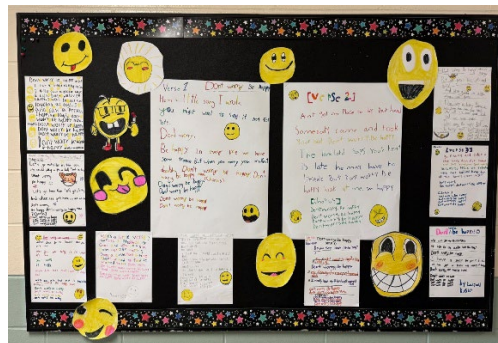

École Neil Campbell School

A message from our Learning & Behaving Committee

Regular attendance plays an important role in your child's success at school. Each day provides opportunities for students to learn new skills, practice routines, build relationships, and develop positive learning and behaviour habits. When students are frequently absent or arrive late, they can miss important instruction and experiences, making it more difficult to keep up academically and feel connected to their classmates and classroom routines. Consistent attendance also helps students develop a sense of responsibility, confidence, and belonging. We understand that children will occasionally need to be away due to illness or other circumstances, but whenever possible, we encourage families to make regular, on-time attendance a priority. Working together, we can help ensure that every child has the opportunity to learn, participate, and thrive each day.

A message from Mr. Reimer's Grade 3 & 4 class in Room #17

This month, Salle 17 participated in an *I Love to Write Month* challenge inspired by the song *Don't Worry, Be Happy*. Students were asked to rewrite the third verse of the song using their own ideas and creativity. Through this activity, we explored songwriting, rhyme, the limits of syllables and including positive messaging while developing our writing skills. The finished pieces showcase our student's unique voices and remind us all of the importance of staying hopeful, optimistic, and happy. Be sure to check out our bulletin board to enjoy the creative work of our talented Grade 3 and 4 writers!

A message from Mme Sotiriadis's Grade 4 class in Room #13

Hi everyone,

Our classroom has been quite busy!

We have had the opportunity to work with a grade 1 classroom on a regular basis called <learning buddies>. Students are really enjoying this connection with the younger students at our school and have even had a few community walks together.

In science our class has been having discussions about the various components of soil, how it impacts growth and health of plants and soil erosion.

During social studies, we have been learning about Canada, and have also had discussions about government, elections and symbols that represent our country. We were also able to take part in Orange Shirt Day activities, learn about residential schools and their impact on survivors through books, discussions and videos.

In art class, we learned about the migration of Monarch butterflies and used painted paper and paint to create a representation of Monarch butterflies feeding on purple thistle.

In math we have been reviewing place value, numbers to 10 000, patterns and some problem solving.

Wishing you all a very happy fall!

Mme Sotiriadis's Grade 4 French Immersion class
