

E-Memo October 24, 2024

Reminder that there is no school tomorrow as it is a provincial professional day.

French Immersion Field Trip

Reminder to parents that French Immersion students have their field trip to Cinemental on Monday. Students will be eating their lunch during period 2, please provide a bagged lunch for your student as they will not be able to leave the school grounds to grab a lunch on Monday.

Grade 7 Vision Screening

A vision screening for all grade 7 students will be carried out on Tuesday, November 26, 2024. The vision screening program is designed to detect signs of possible vision difficulties which may interfere with your child's learning and school progress. It is not intended to be a substitute for the vision examination performed by an Optometrist or Ophthalmologist (eye doctor) and glasses will not be prescribed at this time. Students wearing prescription glasses will not be screened. Following the initial screening, you may receive a letter from the school division recommending that your child see an eye doctor for further assessment. PLEASE SEE YOUR EMAIL FOR THE LINK.

PLEASE NOTE: Because the screenings take place only once per year at each school, parents of children who are absent at the time of the vision screening will also receive a letter recommending follow-up, as no further school screening will occur.
