Field Re-Development Update

Not All Heroes Wear Capes!

We would like to acknowledge David Moder, who has been working tirelessly to get our field redevelopment underway. Thanks to his efforts—and to the delight of our students—we were able to install a Gaga Ball Pit this week! Mr. Enns, with the help of some enthusiastic students, did an outstanding job with the construction.

Our small but mighty Field Development Committee would like to thank you for your generous support through the opt-out fundraiser and 50/50 ticket purchases. All these funds go directly toward the field project. The committee is also in the process of applying for grants that will match your donations, amplifying their impact.

This group—and your generosity—are truly making a difference. Our hope is that the next step will be completing the volleyball court and installing a new long jump pit.

Next week is the ÉJHMS book fair. It will be taking place in the library Wednesday November 5 - Friday November 7. It will be open for students during the school day and for parents during Student Led Conferences. If you would like to make a donation to a classroom library, please check out the teacher book request lists on the bulletin board outside the library. Teachers have selected a few books that they would like to have in their classroom library that you could purchase as a donation. We greatly appreciate any support.
